E.A. Kahane Opens Her 'Mille Miglia' Exhibit at Hammetts

EA. Kahane has once again mounted an exhibit in her highly personalized fashion, using the camera to tell the story through photography.

For her current show, "Front Row Seat," at the Sarah Langley Gallery at the Hammetts Hotel, Kahane fittingly held an opening on the eve of the Audrain Concours. In June, Kahane joined her husband, Bill, and son, Harry, as they participated in the legendary "Mille Miglia" race, photographing the start in Brescia, Italy, traveling south to Rome, and returning to Brescia to complete the 1,000-mile loop, a race that is passionately tied to the country and the people of Italy. The show is on view and open to the public through Oct. 31.
